## Childcare Application Guidance Notes

Please read carefully all information provided below

### Am I eligible for 20+ Financial Support For Childcare?

To be eligible you must:

- Be aged 20 or over on 31 August 2019 (under 20s should apply to Care to Learn).
- Apply for the 19+ or Advanced Learning Loan Financial Support.
- Provide evidence of household income less than £25,000.
- Be an enrolled student on a full-time course or part-time course with a placement.
- Use an **OFSTED** registered nursery, child-minder or after school/breakfast club.
- Provide evidence you are the main carer for the child e.g. Birth Certificate, Child Benefit letter or Child Tax Credit letter.
- Be the sole carer of the child and not have a partner able to look after the child while you attend College.

### Restrictions and Guidelines for Childcare Providers

- Applications for childcare costs must be received by Hopwood Hall College by 28 June 2019 (returning learners) and by 2nd August 2019 (new learners).
- Childcare costs are only paid for the days you attend college based on timetabled lessons, although some courses may be eligible for one day's placement.**
- Children who are three or four years old and eligible for free childcare, this must be used first, and then the college will pay any top-up fees if your application is successful.
- Where term-time only contracts are available these should be used.
- The College does not pay for childcare during College holidays. **There are no payments for retainer/holding fees, taster sessions or administration/booking fees.**
- A financial support application form must be completed before a childcare application can be submitted. All supporting evidence must be submitted particularly income details; failure to submit evidence would result in the college being unable to confirm to the childcare provider that we are able to assist with childcare payments.

### Guidelines for Childcare Provider Completing the Childcare Form

- The childcare provider(s) must complete all relevant information. An e-mail address and contact name are very important because this is the quickest way to contact the childcare provider if there is a problem with the application, attendance or invoices.
- If you are a new provider, please ensure that bank details are provided on letter headed paper.
- Invoices need to be sent monthly from 30th September 2019 and can be sent via email. If the students attendance is below 90% they will be liable for their fees.
- Completion of this form does not mean a student is eligible for financial assistance for their childcare costs. If you have not heard or received any confirmation from the College by 23 August 2019 please contact a member of Student and College Services Team in reception on 0161 643 7560 or email [administration@hopwood.ac.uk](mailto:administration@hopwood.ac.uk)**
- No confirmation could mean non-payment of fees.**
- The Student is responsible for the payment of childcare until the college has formally agreed to contribute to the cost.**
- Invoices detailing the sessions used should be submitted monthly, payments will be made within 30 days of receiving a month end invoice ie. the invoice for November's childcare should be submitted at the END of November and payment will be made on or around 15th December (due to the volumes of applications received in college in the first term payments may be delayed).
- If applicable, students must pay their contribution direct to their provider on a monthly basis.
- The College will only pay for the agreed amount of funding per session.
- If a student wishes to cancel their childcare arrangements they must give 4 weeks' notice in writing to the Student & College Services Team and they must also give the correct notice period required by their childcare provider.
- Students who choose to take holidays during term time will be responsible for paying the full childcare fees during that period.
- College will not work with childcare providers who are deemed 'Inadequate' following an Ofsted inspection.
- College reserves the right to cease working relationships with providers who are deemed to be unprofessional and uncooperative with college rules and staff.
