1. INTRODUCTION

Standing Orders are the rules that determine how meetings are conducted.

Some of the procedural rules are laid down by the Instrument & Articles of Government. Nevertheless, it is felt useful for these to be reiterated within the Corporation's Standing Orders so that they are available for ease of reference with other procedural matters. These may be described or adapted in terms that reflect local practice, but must not conflict with the Instrument & Articles of Government.

It is part of the role of the Clerk to the Corporation to advise the Corporation Chair and Chairs of Committees on the interpretation and application of the rules as and when necessary during the course of meetings.

A copy of these Standing Orders will be given to each Member on appointment to the Corporation and/or Committee and will be the basis on which the Chair of the Corporation and each Chair of its Committees will conduct meetings.

2. MEMBERSHIP, APPOINTMENT AND ATTENDANCE

2.1. COMPOSITION OF THE CORPORATION

The composition of the Corporation has been determined as:

Independent Members	15
Student Members	2
Staff Member (Academic)	1
Staff Member (Business Support)	1
Principal & Chief Executive	1

The determination of the membership of the Corporation, including the individuals to be appointed as Members rests with the Corporation. The Search Committee advises the Corporation on the appointment of Independent Members and any co-opted Corporation and/or Committee Members.

Approximately one year before individual terms of office expire, the Clerk to the Corporation will liaise with the Chair of the Search Committee to ensure appropriate arrangements are in place for maintaining continuity in the appropriate categories whilst seeking new Members for the next period of office. The Clerk to the Corporation will maintain a register of Members' terms of office. This will be made known to the Corporation so that any views of the membership as a whole may be taken into account during this planning stage.

Existing Members will make known to the Clerk to the Corporation at an early stage if they are willing to be considered for re-appointment to the Corporation.

2.2. DETERMINATION OF MEMBERSHIP

- 2.2.1. A Member may resign his office at any time by giving notice in writing to the Clerk to the Corporation.
- 2.2.2. The Instrument and Articles of Government, provide for the Corporation to consider removing a Member from office if that Member has been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation.
- 2.2.3. The criteria for deciding whether to remove a Member from office will be based on the following:
 - previous attendance record at Corporation meetings prior to the six months of continuous absence;
 - validity of reasons given for absence, for example, ill health, bereavement, pressure of work;
 - consideration of whether or not the reason, however valid, is likely to prevent a speedy return to full involvement in the business of the Corporation.
- 2.2.4. In the event of a Member of staff (including the Principal & Chief Executive) or a student ceasing to be staff or students of the College, the office becomes vacant.
- 2.2.5. A Member may be removed from office if he/she is unable or unfit to discharge the functions of a Member of the Corporation

2.3. APPOINTMENT OF MEMBERS OF THE CORPORATION

- 2.3.1. In accordance with Instrument of Government Clause 5(1), the Corporation is the appointing authority in relation to any Member of the Corporation. However, if the number of Members falls below the number needed for a quorum, the Secretary of State is the appointing authority in relation to the appointment of those Members needed for a quorum.
- 2.3.2. Upon the occurrence of a vacancy in the categories for Independent Members and Co-opted Members, the Search Committee shall explore recruitment opportunities, which might include an advertisement in the local press seeking expressions of interest.
- 2.3.3. Upon the occurrence of a vacancy in the categories for Staff Members and Student Members notice shall be issued through the College bulletin and via the College intranet.
- 2.3.4. All persons seeking appointment to the Corporation shall firstly meet with the Search Committee.
- 2.3.5. The Search Committee shall meet with applicants/nominees for positions on the Corporation to ascertain their suitability in terms of their skills, expertise and commitment before making recommendations to the Corporation.
- 2.3.6. 2 staff Members are elected and nominated following separate elections involving the academic staff (1 Member) and the business support staff (1 Member).
- 2.3.7. 2 student Members are elected and nominated by the Hopwood Hall College Student Cabinet.

2.4. TERMS OF OFFICE AND ATTENDANCE OF MEMBERS AT MEETINGS OF THE CORPORATION

- 2.4.1. Members are appointed to serve on the Corporation Board under the Corporation's terms of engagement and in the expectation that they will make time in their schedules to attend and fully participate in the work of the Corporation Board, Committees of the Board and the life of the College.
- 2.4.2. If a Member is prevented from attending a Corporation Board/Committee meeting or a development event, that Member should notify the Clerk of the reason for his/her non-attendance and give as much notice as possible. The purpose of this is to enable the Clerk to:
 - give apologies at the meeting and record these in the Minutes;
 - ascertain whether or not the meeting will be quorate.
- 2.4.3. Members are asked to ensure that they sign the Attendance Record to enable the Clerk to maintain a register of attendance at meetings for future reference and review by the Corporation, the Search Committee, Inspectors and other interested parties.
- 2.4.4. Minutes will record the point on the agenda when a Member joins, withdraws from and/or rejoins a meeting.
- 2.4.5. A Member of the Corporation shall hold and vacate office in accordance with the terms of his/her appointment but the length of his term of office shall not exceed four years.
- 2.4.6. Members retiring at the end of their term of office shall be eligible for re-appointment for one further term of office, provided they fulfil the criteria for appointment as determined by the Corporation. The Nolan Committee in its second report recommended that Members should not serve more than two consecutive 4-year terms of office. The Search Committee will advise on whether to recommend the reappointment of Members whose terms of office have expired or have reached the maximum of two consecutive 4-year terms.

**2.5. APPOINTMENT OF CHAIR AND VICE CHAIR
(Instrument of Government Clause 6)**

- 2.5.1. The Members shall appoint a Chair and a Vice-Chair from among their number. Neither the Principal & Chief Executive nor any staff or student Member shall be eligible for appointment as Chair or Vice Chair.
- 2.5.2. The period of office for the Chair and Vice-Chair shall normally be up to 4 years. At the end of that period, the Members fulfilling those offices will be eligible for re-election if they are still serving as Members of the Corporation.
- 2.5.3. The Clerk will take the Chair for the agenda item on the election of a Chair and will invite nominations for the forthcoming term. The Clerk will relinquish the Chair as soon as someone eligible has been elected. This will enable the Clerk to oversee the election of the Vice Chair and the remaining business.
- 2.5.4. The Principal & Chief Executive is ineligible for appointment but may take part in the appointment process.
- 2.5.5. If both the Chair and Vice Chair of the Corporation are absent from any meeting of the Corporation Board, the Members present shall choose one of their number to act as Chair for that meeting, provided that the Member so chosen shall not be the Principal & Chief Executive, or a staff or student Member.
- 2.5.6. The Chair or Vice Chair may resign from office at any time by giving notice in writing to the Clerk to the Corporation.
- 2.5.7. At the first meeting following the expiry of the term of office of either position, or following the resignation of either post holder, the Members shall appoint a new Chair or Vice Chair from among the number.

- 3.3.4. In practice many decisions taken at a meeting will not need a formal vote, the Chair simply asking Members for their agreement to the proposal in question at the conclusion of the discussion. Only if there is obvious dissent or if the matter is of particular significance will a vote be called.
- 3.3.5. Individual Members may request a vote on a particular issue and this must be agreed. Whether or not a recorded vote has taken place, a dissenting Member has the right to have their disagreement recorded in the minutes.

3.4. PROCEDURES FOR RECONSIDERATION OF RESOLUTIONS

- 3.4.1. The Instrument of Government (Clause 14) requires that no resolution of the Members may be rescinded or varied at a subsequent meeting of the Corporation unless its reconsideration appears as a specific item on the agenda for that meeting.

- 3.5.5. A voluntary register of interest has been adopted in which Members are invited to register any interest which they feel might not be reflected in the individual Member profile information. This register is maintained by the Clerk to the Corporation and is available for inspection by Corporation Members and members of the public on request.

3.6. WITHDRAWAL FROM MEETINGS

- 3.6.1. The Instrument of Government (Clause 14) indicates circumstances under which Staff and Student Members may be required to withdraw from any part of a meeting.

Staff Members and, where applicable, the Principal & Chief Executive must withdraw from any part of a meeting which is discussing either their own remuneration or, at the discretion of the other Corporation Members present, the remuneration and related matters of any member of staff senior to themselves.
- 3.6.3. Except as provided by rules made under Article 18 (3), a Student Member must withdraw from a meeting:
- where his/her conduct, suspension or expulsion is being considered;

- 3.7.2. Members must receive written notice of the meeting and a copy of the agenda at least 7 clear days in advance of the meeting.
- 3.7.3. Individual Members may request an item to be placed on the agenda provided that:

 - The item falls within the remit of the Corporation Board or its Committees as set out in the Instrument and Articles of Government or Terms of Reference.
