## What the Sports Arena is doing to keep our members safe and happy

The Sports Arena has always been committed to providing a safe and hygienic environment for both staff and members.

In our Arena we have now taken further protective measures.

Installation of multiple hand sanitiser stations throughout the centre.

All kit and touch points are cleaned with disinfectant which has been effective against historic coronaviruses.

Sanitisation wipes available for members to use.

Improved layout and distancing of kit.

Floor markings to assist you in training safely.

Reduced capacity in centre and classes to ensure space and cleanliness.

Increased cleaning hours from our cleaning team - do say hi when you see them in the arena!
