1. **INTRODUCTION**

Standing Orders are the rules that determine how meetings are conducted.

Some of the procedural rules are laid down by the Instrument & Articles of Government. Nevertheless, it is felt useful for these to be reiterated within the Corporation's Standing Orders so that they are available for ease of reference with other procedural matters. These may be described or adapted in terms that reflect local practice, but must not conflict with the Instrument & Articles of Government.

It is part of the role of the Clerk to the Corporation to advise the Corporation Chair and Chairs of Committees on the interpretation and application of the rules as and when necessary during the course of meetings.

A copy of these Standing Orders will be given to each Member on appointment to the Corporation and/or Committee and will be the basis on which the Chair of the Corporation and each Chair of its Committees will conduct meetings.

2. **MEMBERSHIP, APPOINTMENT AND ATTENDANCE**

2.1. **COMPOSITION OF THE CORPORATION**

The composition of the Corporation has been determined as up to 20 Members comprising:

Independent Members	up to 15
Student Members	2
Staff Member (Academic)	1
Staff Member (Business Support)	1
Principal & Chief Executive	1

The determination of the membership of the Corporation, including the individuals to be appointed as Members rests with the Corporation. The Search & Governance Committee advises the Corporation on the appointment of Independent Members and any co-opted Corporation and/or Committee Members.

Approximately one year before individual terms of office expire, the Clerk to the Corporation will liaise with the Chair of the Search & Governance Committee to ensure appropriate arrangements are in place for maintaining continuity in the appropriate categories whilst, where necessary, seeking new Members for the next period of office. The Clerk to the Corporation will maintain a register of Members' terms of office. This will be made known to the Corporation Board so that any views of the membership as a whole may be taken into account during this planning stage.

Existing Members will make known to the Clerk to the Corporation at an early stage if they are willing to be considered for re-appointment to the Corporation.

2.2. **DETERMINATION OF MEMBERSHIP**

2.2.1. A Member may resign his office at any time by giving notice in writing to the Clerk to the Corporation.

2.2.2. The Instrument and Articles of Government, provide for the Corporation to consider removing a Member from office if that Member has been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation.

2.2.3. The criteria for deciding whether to remove a Member from office will be based on the following:

- previous attendance record at Corporation Board meetings prior to the six months of continuous absence;
- validity of reasons given for absence, for example, ill health, bereavement, pressure of work;
- consideration of whether or not the reason, however valid, is likely to prevent a speedy return to full involvement in the business of the Corporation.

- 2.2.4. In the event of a Member of staff (including the Principal & Chief Executive) or a student ceasing to be staff or students of the College, the office becomes vacant.
- 2.2.5. A Member may be removed from office if he/she is unable or unfit to discharge the functions of a Member of the Corporation

2.3. APPOINTMENT OF MEMBERS OF THE CORPORATION

- 2.3.1. In accordance with the Instrument of Government Clause 5(1), the Corporation is the appointing authority in relation to any Member of the Corporation. However, if the number of Members falls below the number needed for a quorum, the Secretary of State is the appointing authority in relation to the appointment of those Members needed for a quorum.
- 2.3.2. The appointing body may decline to appoint a person as a Staff or Student Member if they are ineligible to be Members by virtue of Clause 8 of the Instrument of Government.
- 2.3.3. Upon the occurrence of a vacancy in the categories for Independent Members and Co-opted Members (Co-Opted Members being those members of a committee that are not members of the Corporation), the Search & Governance Committee shall explore recruitment opportunities, which might include an advertisement in the local press, seeking expressions of interest.
- 2.3.4. Upon the occurrence of a vacancy in the categories for Staff Members and Student Members notice shall be issued through the College bulletin and via the College intranet.
- 2.3.5. All persons seeking appointment to the Corporation shall firstly meet with the Search & Governance Committee.
- 2.3.6. The Search & Governance Committee shall meet with applicants/nominees for positions on the Corporation to ascertain their suitability in terms of their eligibility, skills, expertise and commitment before making recommendations to the Corporation.

1 staff Member will be a Member of the academic staff and 1 staff Member will be a member of the non-academic staff. Both Members will be nominated and elected by the staff body as a whole.

- 2.3.7. 2 student Members recruited and appointed by the Corporation.

2.4. TERMS OF OFFICE AND ATTENDANCE OF MEMBERS AT MEETINGS OF THE CORPORATION

- 2.4.2. There is an attendance target of 80% for meetings of the Corporation Board and Members should make every effort to meet or exceed this target.
- 2.4.3. If a Member is prevented from attending a Corporation Board/Committee meeting or a development event, that Member should notify the Clerk of the reason for his/her non-attendance and give as much notice as possible. The purpose of this is to enable the Clerk to:
- give apologies at the meeting and record these in the Minutes;

- 2.4.4. Minutes will record the point on the agenda when a Member joins, withdraws from and/or rejoins a meeting.

Members retiring at the end of a 4-year term of office shall normally only be eligible for re-appointment for one further 4-year term of office, provided they fulfil the criteria for appointment as determined by the Corporation. The Search & Governance Committee will advise on whether to recommend the re-appointment of Members whose terms of office have expired or have reached the maximum of two consecutive 4-year terms.

2.5. APPOINTMENT OF CHAIR AND VICE CHAIR

(Instrument of Government Clause 6)

- 2.5.1. The Members shall appoint a Chair and up to two Vice-Chairs from among their number. Neither the Principal & Chief Executive nor any Staff or Student Member shall be eligible for appointment as Chair or Vice Chair.

- 2.5.3. The Clerk will take the Chair for the agenda item on the election of a Chair and will invite nominations for the forthcoming term. - 2.5.5. If both the Chair and Vice Chair(s) of the Corporation are absent from any meeting of the Corporation Board, the Members present shall choose one of their number to act as Chair for that meeting, provided that the Member so chosen shall not be the Principal & Chief Executive, or a Staff or Student Member.

3.3. VOTING PROCEDURES

- 3.3.1. The Instrument of Government (Clause 14) establishes that every question to be decided at a meeting shall be determined by a majority of the votes of Members present and eligible to vote on the question, with the Chair having a second or casting vote in the event of a tie.

3.4. **PROCEDURES FOR RECONSIDERATION OF RESOLUTIONS**

- 3.4.1. No resolution of the Members may be rescinded or varied at a subsequent meeting of the Corporation unless its reconsideration appears as a specific item on the agenda for that meeting.
- 3.4.2. A resolution cannot therefore be overturned or varied simply as part of the discussion of matters arising from the previous minutes.
- 3.4.3. The subject must appear as a substantive item on the agenda linked to the fact that there is a proposal to vary or rescind a previous decision. A Member wishing to include such an item must do so by giving written notification to the Clerk to the Corporation at least 15 days in advance of the meeting.

3.5. **PROCEDURES FOR DECLARATION OF INTEREST**

- 3.5.1. The Instrument of Government (Clause 11) states that no Member may take or hold any interest in any property held or used for the purposes of the College, or receive any remuneration for their services as a Member of the Corporation (save as a Member of the College staff).
- 3.5.2. The Instrument of Government (Clause 11) specifies certain circumstances in which Members present at a meeting of the Corporation must declare their interest, not take part in any discussion, not form part of the quorum and not vote. These are where the Member has a financial interest in:
 - the supply of work or goods to or for the purposes of the College;
 - any contract or proposed contract concerning the College;
 - any other matter relating to the College; or,
 - has any other interest of a description specified by the Corporation Board in any matter relating to the College.

- 3.5.4. There might also be an extension to include non-financial personal interests of Members, such as Membership of public bodies and institutions, trusteeship of a trust where the Member or other connected person may be a beneficiary or the Membership of a closed organisation.

A register of interest has been adopted in which Members must register any interest which they feel might not be reflected in the individual Member profile information. This register is

maintained by the Clerk to the Corporation and is available for inspection by Corporation Members and members of the public on request.

3.6. WITHDRAWAL FROM MEETINGS

- 3.6.1. The Instrument of Government (Clause 14) indicates circumstances under which Staff and Student Members may be required to withdraw from any part of a meeting.

- 3.7.1. The Clerk to the Corporation is responsible for drawing up agendas to meetings of the Corporation and its Committees for clearance with the appropriate Chair.
- 3.7.2. Members must receive written notice of the meeting and a copy of the agenda at least 7 clear days in advance of the meeting.
- 3.7.3. Individual Members may request an item to be placed on the agenda provided that:
- The Clerk is given not less than 15 days' notice prior to the date of the meeting in order that the Chair is notified of the proposed item before the agenda is finalised.
