

Hopwood Hall College – Appraisal & Remuneration Committee 2022/23 Annual Report to the Governing Body

Background

Hopwood Hall College's Instrument and Articles of Government define senior posts as 'the Principal and such other senior posts as the Corporation may decide'. The Corporation has agreed to adopt the AOC Governor's Council's Colleges' Senior Post Holder Remuneration Code and this Code includes a requirement that the College publish a readily accessible annual statement, based on an annual report to its governing body. This report is designed to address that requirement.

This report covers the 2022/23 academic year: 1 August 2022 to 31 July 2023.

Approach to Remuneration

Colleges operate in an extremely competitive environment. The Corporation wishes to attract and retain the best possible Senior Post Holders to deliver the best possible outcomes for students, society and the economy whilst demonstrating effective use of resources in a challenging environment. When considering the remuneration of Senior Post Holders, the following factors may be considered:

- Pay awards granted to all staff in the College
- Performance against agreed objectives
- Performance in support of the college's strategic objectives
- Major initiatives and projects.
- The size and complexity of the College
- The nature of the post-16 markets and issues of recruitment and retention
- The College's objectives in relation to the diversity of the workforce

Remuneration 2022/23

Annual pay awards for Senior Post Holders will normally be offered at the same rate as that agreed for staff as part of the annual budgeting process.

The Corporation agreed a 4% consolidated pay award for staff in 2022/23 and this also applied to Senior Post Holders. A non-consolidated pay award was also awarded to all staff in recognition of the cost-of-living crisis. However, this was not applied to Senior Post Holders or to the Senior Leadership Team.

Comparator Colleges

In setting the pay range for each Senior Post Holder role, the Committee has regard to the latest benchmark data for relevant roles published in the AoC's Senior Pay Survey. The relevant comparator Colleges are those with a turnover of £25-£30m as the College falls between these ranges. The salary ranges are guides for the Committee to determine an appropriate spot point, having regard to the context of the College as well as the performance of the individual role holder. The Committee is entitled to seek independent professional and legal advice.

Income Derived from External Activities

The College includes an exclusivity of service clause in its Senior Postholder employment contracts, which requires a Senior Postholder to obtain permission for additional external work. Should permission be granted by the Corporation for external work to be undertaken, the Corporation will determine how much, if any, of the additional remuneration the Senior Postholder would be permitted to retain and on what basis this determination is made. No senior post holders have derived any income from external activities in the reporting period.

Explanation of any Significant Changes

There were no significant changes to Senior Post Holders terms and conditions in 2022/23.

The Remuneration Committee's Opinion to the Corporation

Based on the evidence from papers and minutes of meetings, the Appraisal & Remuneration Committee considers that its and the Corporation's responsibilities with regard to the Senior Post Holder Remuneration Code have been satisfactorily discharged.

Chair of the Remuneration Committee
